

CodeConquer Hackathon Guidelines

Organized by CodeCharcha

1. Introduction

Welcome to **CodeConquer**, a 2-week online hackathon by CodeCharcha! This event is designed to challenge developers and innovators to solve real-world problems through technology.

2. Hackathon Details

- **Duration:** 2 Weeks
- **Mode:** Online
- **Number of Problem Statements:** 2
- **Team Size:** 2 - 3
- **Eligibility:** Open to all developers, students, and professionals

3. Important Dates

- **Hackathon Launch:** 02/03/2025 [11 am.]
- **Technology Demonstration:** 09/03/2025 [11 am.]
- **Final Round:** 16/03/2025 [11 am.]
- **Winner Announcement:** 23/03/2025 [11 am.]

4. Problem Statements

Participants will choose one of the two problem statements provided at the start of the hackathon.

5. Rules & Regulations

- Projects must be developed within the hackathon period.
- All submissions should be original and must not infringe on any copyrights.
- Open-source libraries and APIs are allowed.
- Teams must submit a GitHub repository with proper documentation.
- Any form of plagiarism or rule violations will lead to disqualification.

6. Submission Requirements

- **Code Repository:** Hosted on GitHub with a README file.
- **Short Presentation:** Overview of the problem, solution, and implementation.
- **Deployment Link (if applicable):** A working prototype or demo.

7. Judging Criteria

Projects will be evaluated based on:

- **Innovation & Creativity (20%)** – Novelty and uniqueness of the idea.
- **Technical Implementation (40%)** – Code quality, architecture, and complexity.
- **User Experience & Design (25%)** – Interface, usability, and engagement.
- **Presentation & Documentation (15%)** – Clarity and completeness of the submission.

8. Code of Conduct

All participants are expected to:

- Maintain a positive and collaborative environment.
- Follow ethical coding and fair play practices.
- Respect fellow participants, administrators, and judges.
- Avoid any kind of discrimination, harassment, or misconduct.
